Hey,

How does the statement below seem to you as a response to the inquiry below? We're assuming "legislative status" means "regulatory status".

Ex. 5 Deliberative Process (DP)

DDL Thursday 9/13

Good afternoon team,

Do you want to send this reporter anything other than the news release - <https://www.epa.gov/newsreleases/epa-takes-three-important-steps-ensure-chemical-safety-under-lautenberg-act-proposes> - and the fact sheet (attached)?

A reminder that I'm out tomorrow and Friday, so Enesta (cc'ed here) will work with you and the reportr as needed.

Thanks, R.

+++++

Dear sir/madam,

I hope you're well? My name is Hannah, I'm an editorial assistant at Harper's Magazine. I'm doing some fact-checking for next month's issue and would appreciate if you could confirm the following information regarding the EPA's proposed SNUR for Asbestos:

1. The date on which the SNUR for Asbestos was announced.
2. The current legislative status of the SNUR.

I'm working on a deadline of midday Thursday, so would greatly appreciate a response as soon as possible.

Best wishes,

Hannah Smith
